Event Entry Process

Once again this season we will be using the online entry system.

Please ensure you familiarise yourself with the Carnival Registrations Manual which can be found on the SLSNZ website www.surflifesaving.org.nz/carnivalreg.

Entries Close: **Sunday 18th August, 2013 5.00pm**

Please note:

- There will be no late entries permitted.
- Team Manager's contact details must be updated on the online system to ensure that the relevant person receives all updated information directly. Failure to list a team manager may mean that you will miss out on vital information.

All entry fees will be calculated via the online entry system following the close of entries and your club will be invoiced directly (fees mentioned on page 1).

Eligibility of competitors

This competition is open to any SLSNZ affiliated club. Without the following details your members will not be eligible to compete nor will they be able to be entered through the online entry system. SLSNZ reserve the right to limit the number of competitors per event.

- a) Current Members (i.e. must not be stored in the 'Last Season Members' or 'Historical Members' folder on the PAM Database.
- b) Must have the "Membership Form Received" by SLSNZ. (indicated by a 'tick box' at the top of the individuals membership tab)
- c) Have a DOB recorded on the PAM Database.
- d) Have a PRIMARY membership with the club they intend to compete for (membership status displayed in the 'Membership' tab of the individual in the Database)
- e) Team substitutes must be registered in some capacity in the event (see notes below)

Please Note:

- It is not a requirement of the event that competitors hold the Surf Lifeguard Award.
- Combined club teams for relays will not be permitted.
- All competitors, including possible substitutes, are to have met all of the eligibility criteria outlined above by the close of entries.

Age

A competitor's age group is determined by their age as at midnight on 30th September 2013.

For example, if you are still 13 at midnight on the 30th of September 2013, you will race in the U14 age group.

Team Substitutes

As stated in (e) above, all team substitutes must be registered in some capacity in the competition. This means that if an athlete is competing in any event for example the 50m Swim with Fins, they are registered for the overall event.

In some instances clubs have to substitute members for their team events which can be problematic if the person who is the substitute is not competing in any other event. Therefore any potential substitutes

(who are not already competing) must be entered into event code 300 Substitutes. This is to allow fairness to all by ensuring that all eligibility criteria are met.

Please Note:

The event code 300 has an entry fee of \$10.00 per person
 Individual entries cannot be substituted for by another competitor; only team entries as outlined in the Surf Sport Competition Manual.

Time Keepers

A large number of time keepers are required to ensure the successful running of the Tasman Pool Event.

As such, each competing club will be required to supply timekeepers during some if not all of the sessions. On close of entries clubs will be emailed the exact session times and the number of time keepers they will require. We require 16 timekeepers to cover each session. The number your club will require will be based on total number of entries and the number of entries that your club has. The timetable included with this mail out was based on last year’s entries to give you an indication of what your requirement may be. Penalties will be imposed to those clubs who fail to meet this requirement.

Event times and proposed programme

The following are a general indication of the Event Timetable and Competition Programme and should only be used as a guide at this stage. A detailed daily timetable of events will be prepared and circulated once final entry numbers are received.
